Subject: Levin-Richmond Dredging Conference Call (UNCLASSIFIED)

Hello Everyone,

There is a scheduling conflict between the proposed Levin-Richmond Terminal Dredging (Levin) as described in the May 2013 DOP and work scheduled as part of the Superfund Project. I think the conflict can be resolved easily because Levin expects to complete the work within the first week of June. However, it sounds like we need a conference call to discuss this matter.

I suggest Wednesday at 9:00 am. If that will not work for you please suggest another time to the group. I will make myself available any time that day. Levin personnel have conflicts from 11:30 to 2:00.

Sincerely,

Debra A. O'Leary
